Help! Somebody HELP!

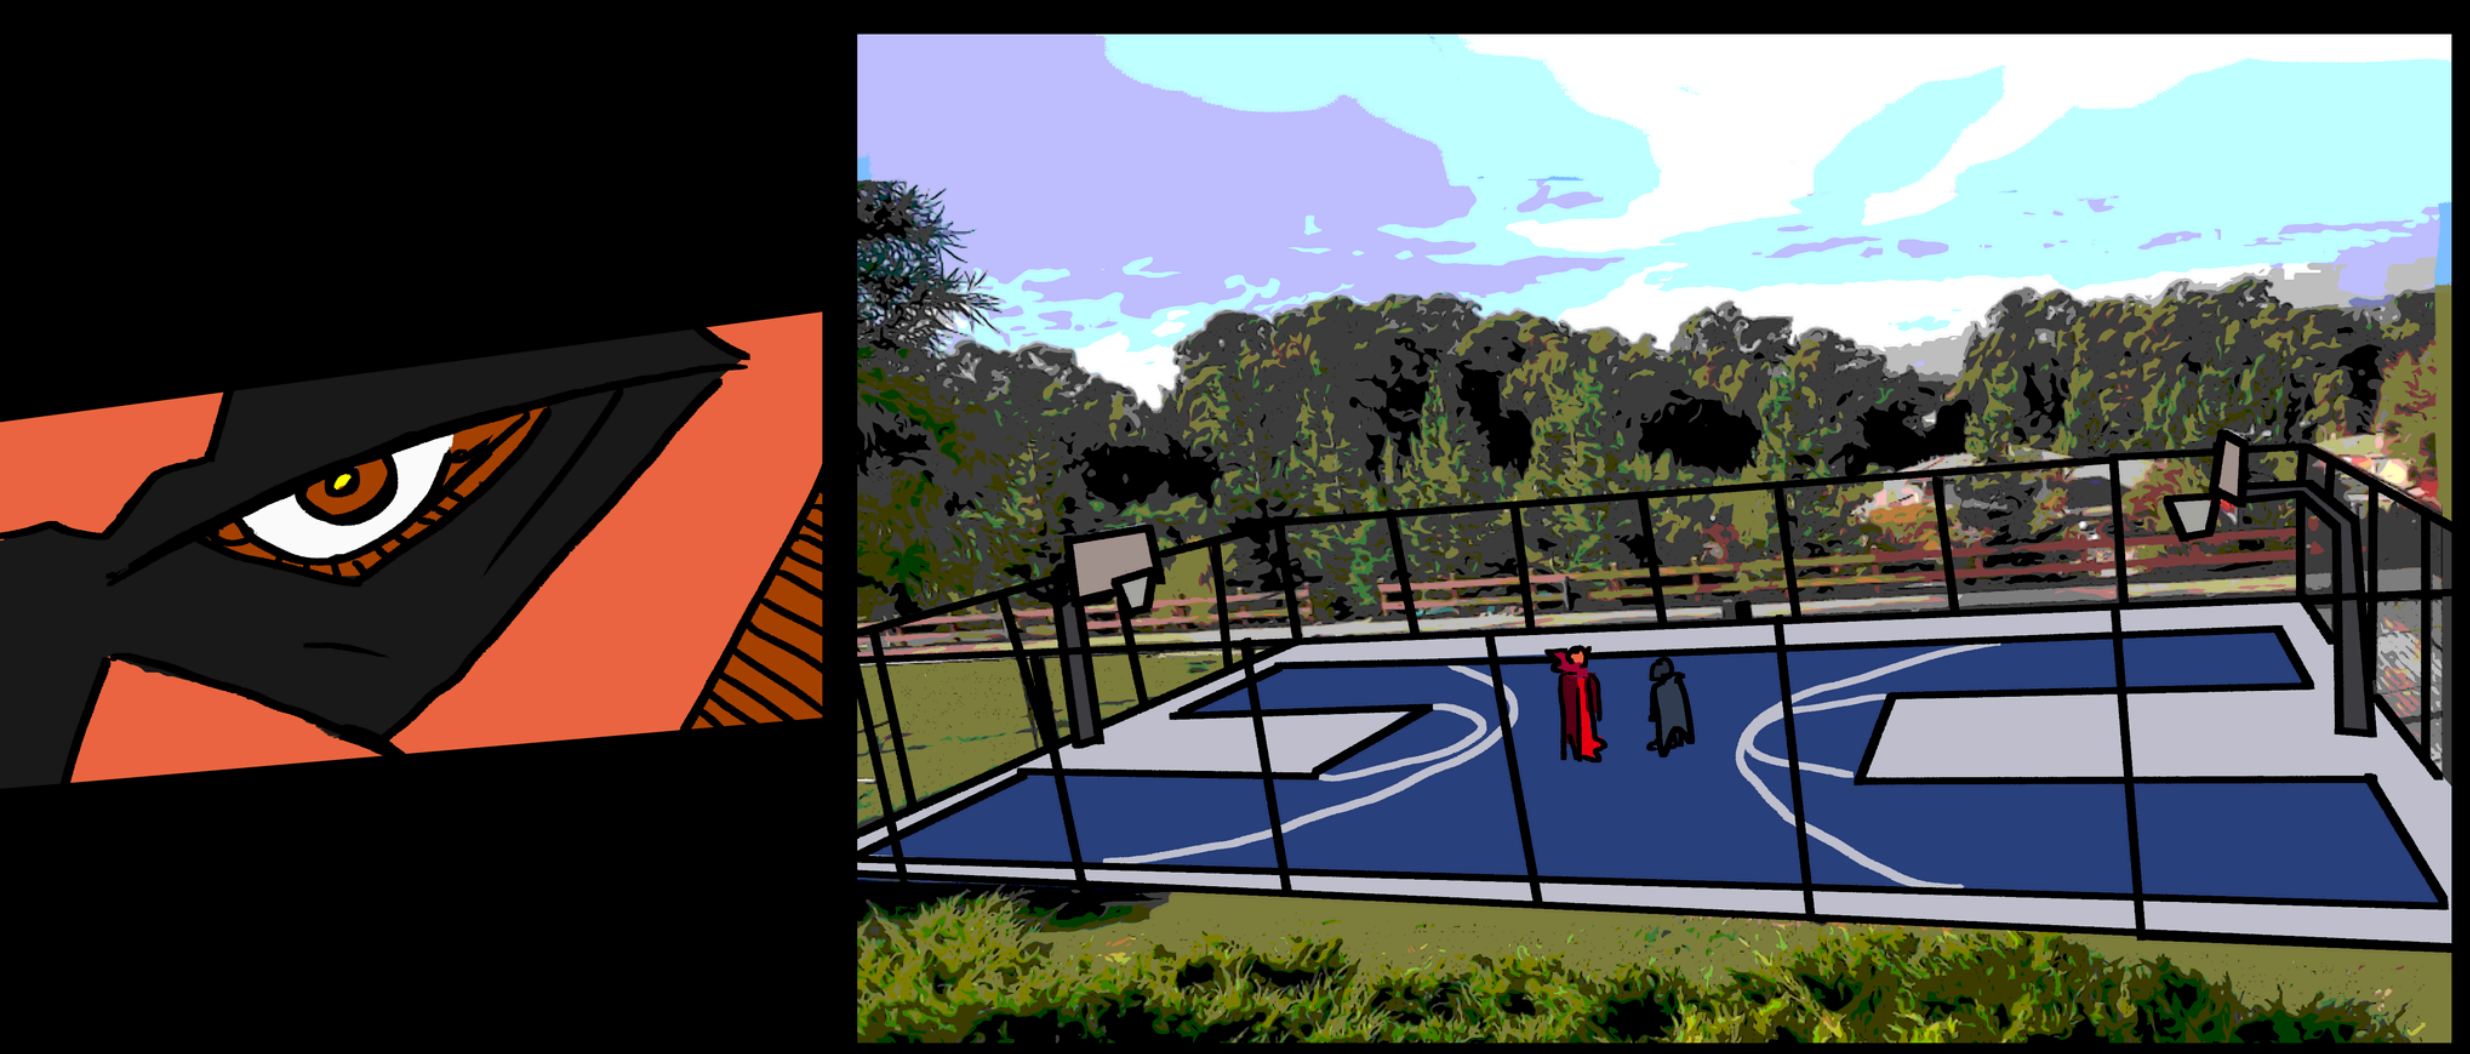
Go! Your safe now. I will take care of this

You can't do this Repus! Bullying is wrong. Hate has no place in my city!



No! you simply aren't strong enough to stop me and you never will be!
This world is mine to Bully!
It’s mine for the taking!

Alright, let's settle this the old-fashioned way.

Let's go. You will be defeated!
We'll play to 10. If you win I’ll head home in shame.
But if I win....

It's over. Repus is defeated! We've been saved from being bullied!

Who saved us?

The only person who could. The only person who knows how. The person who has the courage to fight bullys and inspire others to do the same.

Wow. He's more than just a hero...he's a silent guardian, a watchful protector, The Supa Demon. He's the hero world deserves, but not the one it needs right now...

If you see bullying, speak up. Be an active bystander. Challenge them to basketball. You don't have to be a superhero to be a hero.

I'll be back. I promise you! Repus will return.

What is it, my Son?

I have failed again, Father.

I am sorry Father, but I cannot be the great person you have raised me to be.

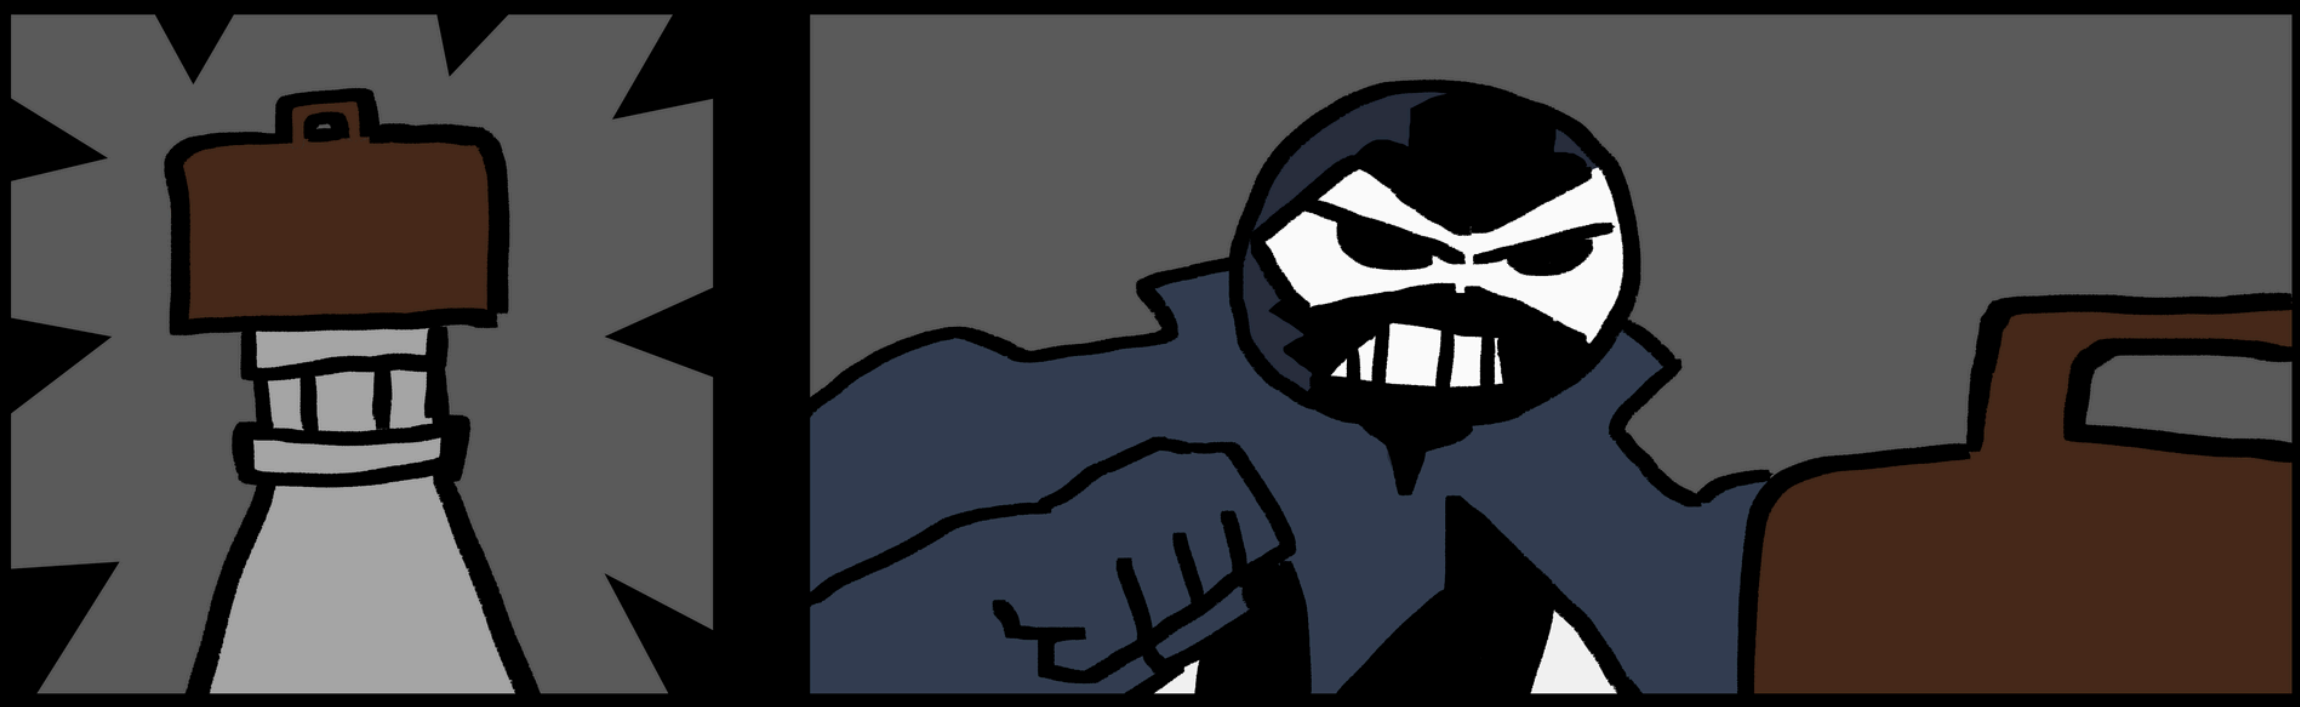
Don't you dare shed tears. There is a way for you to become more confident.

What is it Father!?

The secret to confidence is located inside a briefcase in The McNamara Tower

I will retrieve it father, And with the new found confidence i can defeat The Blazer once and for all.

Go My son, and return it to me as well.



BaWoop!
Buuuu

!

SLIP

Smash!

Crak!

The Secret?! That's just a bad documentary! How's that supposed to help get confidence back?

Confidence isn't something physical Repus! It comes from within.

But without the secret to confidence, father will still think I'm a failure. I can't let my father down.

Your success isn't defined by what other people think, Repus. You choose what makes you successful, not your father or anyone else.

Remember Kids! It's easy to become stressed and lose confidence in yourself if someone else tells you you need to reach higher than your arms length. Don't let someone who isn't you define your success. What's most important is tha t you meet your own mark for success

Repus, it's not that-

With Repus still at large The Supa Demon continues his fight against Insecurity!

Repus! He's gone, He got away again!
